WELCOME TO ATTENDEES OF THE
**BOOST (BEST OF OUT-OF-SCHOOL
TIME) COLLABORATIVE'S**
HEALTHY BEHAVIORS CONFERENCE

December 8-10, 2010

On behalf of the City of San Diego, I am pleased to welcome all the participants and guests of BOOST Collaborative's Healthy Behaviors Conference.

BOOST Collaborative supports out-of-school time professionals through a variety of different opportunities, and the organization is working towards change in the educational and social services agencies. The Healthy Behaviors Conference is an exciting new venture and your focus on nutrition, physical activity, and food safety is commendable as the health of our youth is extremely important to the future of this country.

We are pleased that you have selected *America's Finest City* as the host city for your conference. San Diego is full of history and diverse cultures, and home to world famous venues such as the San Diego Zoo, Balboa Park, USS Midway Carrier Museum, Sea World, and many museums, parks, beaches and restaurants that I know you will find very enjoyable.

Please accept my best wishes for a successful conference and a pleasant stay in San Diego. I hope that you will come back and visit us again soon.

Sincerely,
